Continuation of 2. NOTE: As to claim 1, at least the change of "inserted" to "threaded" in the third to last line of the claim requires further consideration because it changes the scope of the claim. As to claim 2, addition of the term "prestressed" changes the claim scope and requires further consideration. As to claim 5, the added language changes the scope of the claim and thus requires further consideration. As to claim 15, at least the addition of the language "and including shoulders adjacent the male thread sections and spaced from" changes the scope of the claim and requires further consideration. Moreover, Applicant presents arguments that have not been heretofore considered. In response to Applicant's recitation of previously presented arguments, the Examiner's responses set forth in the Final Office action are hereby incorporated by reference.
